

Declaration of Conformity

In accordance with:
EMC Directive; 2004/108/EC
Low Voltage Directive; 2006/95/EC

Type of Equipment: Optical Sensing Interrogator
Model: sm130
Manufacturer: Micron Optics, Inc
Address: 1852 Century Place, NE
Atlanta, GA, 30345
United States of America
Year of Original Manufacture: 2004

The following harmonized European Standards, technical specifications, or other normative documents have been applied:

EMI / EMC Standards:

EN 61326-1:2006
EN 55011:2003
EN 61000-3-2:1995
EN 61000-3-3

Product Safety Standards:

IEC EN 61010-1:2001
IEC 60825-1

We, Micron Optics, Inc, declare that the equipment specified above complies with all Essential Health and Safety Requirements of the above Directives and Standards, as amended.

Date of issue: 10 July, 2012
Place of issue: Micron Optics, Inc.
